## 2022 SUMMER READING EVENT LINEUP

### Summer Reading Kick-off Concert

Friday, June 3rd @ Williamsburg Town Square Park from 4-6 pm.

Start the summer off right by listening to live music in the town square. **Pandelerium** Steel Band returns, performing on instruments cut and hammered from 55-gallon oil barrels. During Intermission, **Pass Four Productions** will be entertaining the audience of all ages in comedy stage combat and sword fighting. **Book Logs will be available at the concert and the circulation desk until July 14th.**

### Seed Balls For Monarchs

Wednesday, June 8th @ WPL, Lower Level Meeting Room @ 1:30 pm

Connect with nature by learning about seed balls for monarchs. Join **Milkweed Matters** by creating seed balls to increase the breeding and feeding habitat of pollinators on roadsides across the country. Learning about this organization is fun, easy, and environmentally friendly.

### Raptors of Iowa

Monday, June 20th @ WPL, Lower Level Meeting Room @ 6 pm

The **RARE Group** located in Iowa City will be presenting a unique program that will be discussing the life of Iowa's native raptor species, the importance of raptors in our ecosystem, and what you can do to help these birds have a successful life in the wild, and meet these raptors up close and personal.

### Mysterious Creatures of the Midwest

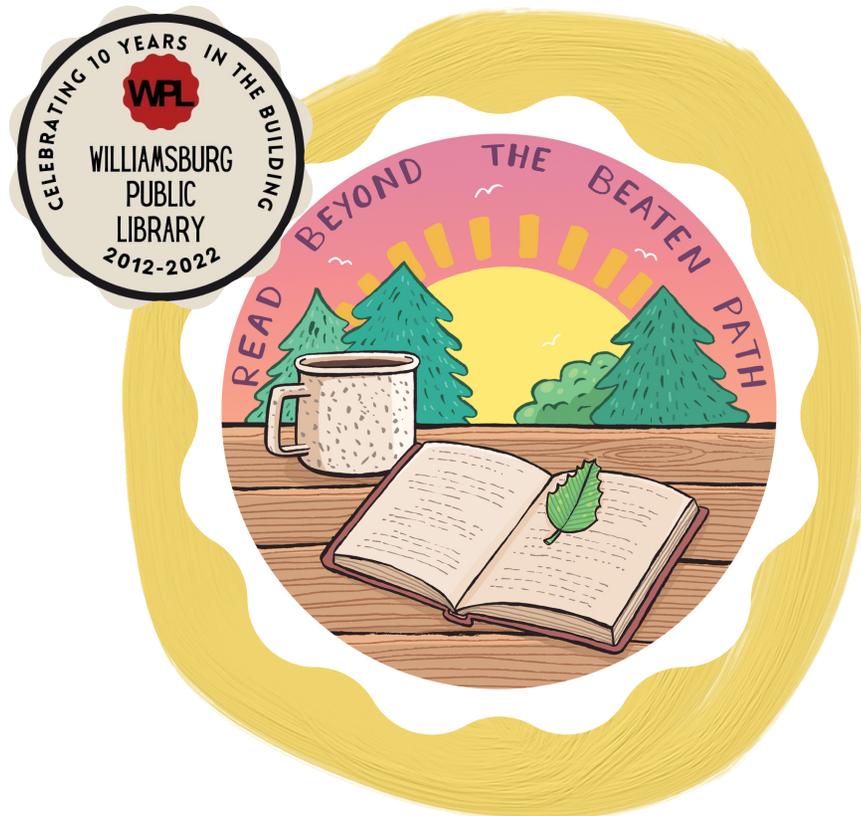

Thursday, July 7th @ WPL, Lower Level Meeting Room @ 6 pm

The Midwest is home to several mysterious and legendary creatures. Join researcher **Chad Lewis** as he will showcase his on-site investigations ranging from the Bigfoot of the north to the lake monster of Lake Pepin.

### Preserving the Harvest

Saturday, July 16th @ WPL, Lower Level Meeting Room @ 2 pm

Join the **Iowa County Conservation** by learning to preserve a summer day. Canning is a great way to preserve fruits and vegetables for years to come, and because they are shelf-stable, they free up space in the fridge and freezer.
