OUR NEIGHBORS, THE AMISH

Saturday, November 12th, @ 1 pm
Lower Level Meeting Room

Come learn about Old Order Amish and elements of their lifestyle and beliefs. From birth to burial and everything in between. Don and Diane Kramer's presentation comes from close interactions with the Amish—plus extensive research they've gathered.

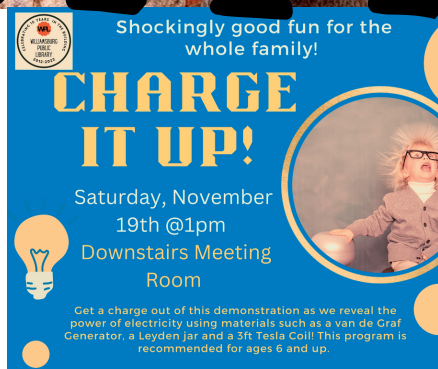

BOOK ENDS BOOK CLUB

Monday, December 5th @ 6:30
Main Level at WPL

Come and discuss December's book selection, *The City Baker's Guide to Country Living* by Louise Miller.

Olivia is a baker and is working at an exclusive club in the city of Boston. With a little drama at the club, it sends her to visit a friend in Vermont for the weekend and the weekend turns into so much more! A full-hearted novel about a big-city baker who discovers the true meaning of home—and that sometimes the best things are found when you didn't even know you were looking.

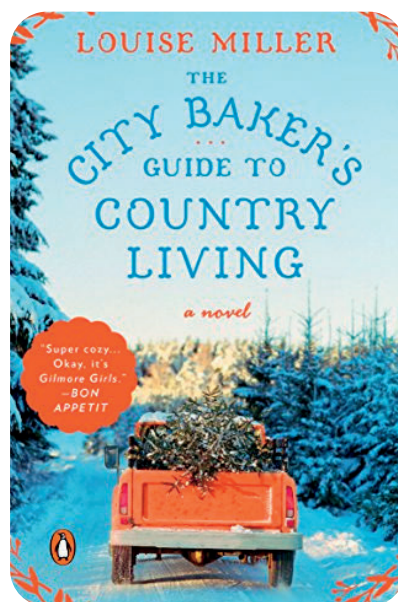

Copies in regular print, large print, and audiobooks are available in the library. A book discussion will be held on Monday, December 5th at 6:30 p.m. on the library's main level.

CHARGE IT UP!

Saturday, November 19th @ 1 pm
Lower Level Meeting Room

Get a charge out of this demonstration as we reveal the power of electricity using the materials such as a van de Graf generator, a Leyden jar, and a 3 ft Tesla Coil! This program is recommended for ages 6 and up.
