Universe of Stories– Summer Reading 2019

2019 marks the 50th anniversary of NASA’s Apollo 11 mission. On July 16, 1969, astronauts Neil Armstrong, Buzz Aldrin and Michael Collins launched into space and into history. Youth, teens, and adults can enjoy reading challenges, expanded programming, events and prizes through June and July. Registration for summer reading challenges begins **Mon., June 3** and will continue until the program ends. Summer programming for all ages is made possible with support from the Friends of the Library.
